time of the year when we have to keep ourselves warm. A time indeed when our 'fleece and woolens' get to see the outside world! Well this news letter is sure to spread some warmth into your home with more news and information. It's so wonderful to know that our association is growing in numbers and because of the perseverance of our committee we have so many programmes and events coming up ever so often.

Time flies so quickly indeed, as we are already half way through this year. So many

happy events and tragic ones have also occurred during these past few weeks, like the earthquake in Indonesia and the unrest in East Timor. The ordeal of the Beaconsfield miners was one of tears and joy for the nation. We are fortunate to live in a peaceful environment here while things are happening around us. Let's take a little time off our busy schedule and see what is happening in our own community. Read on to find out... Any ideas and suggestions, feel free to let us know.

Thank you
